The tudor lounge was recently bought by a Guildford family and has been completely refurbished and re-invigorated. Using local craftsmen to retain the character of the building.

Where possible we use local suppliers for our ingredients, and are actively seeking a wider range of fair-trade and organic products.

As a small business we are heavily involved with the community and are proud to support worthwhile organisations such as the Guildford YMCA and chase children's hospice

We hope you have enjoyed your meal in our comfy surroundings, and we would welcome any feedback you have, good or bad.

We look forward to welcoming you back soon.
